Municipal Boards, Kolar District.

His Highness the Maharaja of Mysore,
Revenue Department, Bangalore.

Sir,

Adverting to Government Proceedings No. 9877/Ml. 251-11-6 dated 13th June 1913, regarding the proposal of the Malur Municipal Board to levy market fees on sante days, I have the honor to state that the Municipal Board have provided in their current year's Budget a sum of Rs. 400/- for original works and they propose to utilize this amount for the construction of stalls in the sante grounds. There is some convenience for water close by and there are also a number of trees on the grounds providing shade to the cattle assembling there. The income of the sante has also improved of late and it is expected that the realizations would amount to over Rs. 600/- a year. The Municipal Board have therefore resolved to levy the fees now at rates mentioned in my letter No. 891 dated 12th March 1912, in view of improving their finances which are now in an unsatis-factory condition. The town is very badly off for water and unless the Municipality accumulates some funds for the purpose, it is not probable that the town would have an adequate water supply. There is no other way by which the Municipality can increase their resources and I request that the Government will be pleased to favourably consider the proposal and accord their sanction for the levy of the fees as early as possible.
